Director's Message

Dr. Ashutosh Shukla
Director

A warm welcome is always assured at The Gracious School. Here we aspire to craft socially conscious and responsible individuals who will serve the society. TGS aims to be an institution that empowers each child with a strong foundation of knowledge and skills. We are preparing global citizens committed to humanistic values and democratic traditions. Care, love and emotional security underpin our ethos. The School has a very welcoming, supportive and inclusive atmosphere. A culture of mutual respect is clearly evident in the positive relationships between staff and learners.

Academic Director's Message

Mrs. Bharti Shukla
Academic Director

Every child is like a seed which has the potential to grow if it is nourished with love and care under the right guidance. In the current challenging times it is essential that children should not only excel in academics but should also develop courtesy, discipline, smart personality, social sensitivity and be imbibed with the traditional values and culture of our country. Childhood is the best time to lay the foundation of the core values essential for the overall development of the future citizen of tomorrow.

Computer lab

Coding & Computational Skill :-

The new education policy emphasizes on the importance of digital literacy, coding and computational skills. This new and innovative approach enables students to learn coding to build apps, websites, and games.

launched after carefully analysing the NEP education system requirements and students need, this programme strongly focuses on project based learning and real life problem - solving.

focus on fitness & Sports

The school is equipped with physical educators and coaches for developing the fine motor skills of students and to enhance their reflexes. Total focus on exercise & fitness as life-long activities by adopting a healthy atmosphere with recreational activities.

Creativity (Art & Craft)

Our philosophy is that education should promote thinking and creativity, rather than rote learning. We believe that young generation will do wonders if education let them explore their mind instead of relying on memory.

Our learning is inquiry-based with emphasis on play-way methods, nurturing the curiosity and creativity of students encouraging them to take intellectual risks and developing critical and independent thinking.

By education, I mean an all-around drawing of the best in child and man in body, mind and spirit.

- Mahatma Gandhi

Smart Classes

All our classrooms are smart TV enabled for audio-video learning. This provides better visualization to students providing robust conceptual clarity that is extremely critical for holistic learning.

Books enabled with digital visualization : QR codes embedded into Textbook & lead to world-class learning videos which helps students understand the concept better.

Library

Students are encouraged to cultivate reading habit from a young age and taught to use the space as a center for learning. Library is a gateway for students to quell their curiosities and get answers to all their queries.

A life of joy and happiness is possible only on the basis of knowledge and science.

- Dr. Sarvapalli Radhakrishnan

Well-Qualified & Experienced Teachers

Extra Curricular Activities

Every day is a fundamental part of The Gracious School's core culture of developing the whole child and creating an environment in which all children thrive and develop each and every of their talents to their greatest potential.

- The Arts - Arts and crafts, Dance and Dramatics.
Music - Guitar, harmonium, Tabla, Keyboard, Vocal.
Sport - Badminton, Table tennis, Athletics, Football, Karate, Yoga, Basket Ball etc.

Educationists should build the capacities of the spirit of inquiry, creativity, entrepreneurial and moral leadership among students and become their role model.

- A. P. J. Abdul Kalam

Laboratory

Tell me and I forget.

Teacher me and I remember.

Involve me and I learn.

Through this quote we believe in doing rather than giving demo. It is our thought that doing practical means using more sense organs to understand the topic in much better way. It also helps a learner to explore more in Science / Social Science / Mathematics / Computer / Language Laboratory.

Annual function

The Annual Day of The Gracious School is a moment of celebration where each and every child gets an opportunity to participate on the stage. It is a joyous occasion, which we all look forward to. For teachers it is a great opportunity, to showcase the talents they have nurtured in the children, and for the parents it is a matter of great pride to watch them on stage.

Education is the manifestation
of the perfection already in man.
- Swami Vivekananda

Educational Trip

An annual excursion is organized for students for every academic session. Further, the school organizes planned visits to various places to enrich the students and to take learning beyond the four walls of the classroom.

Safe Transport

The need for safe passage of each child to school and back home is of paramount importance to us. To ensure safe travel the school has its own fleet of outsourced school buses designed as per standards and manned by trained drivers and personnel sensitized to the needs of small children.

The Transport Service (optional) is operated by the school and a separate transport fee is charged for this. For supervision and monitoring a transport attendant is on board throughout the journey.

Mobile phones have been provided in each bus that ensures efficiency in terms of service and better communication in case of emergencies. Besides ensuring the implementation of the safety norms, all staff on the bus is well trained in first aid and emergency management.
